The books of subscription for stock in this Company are now open at their office, where parise desirous of becoming iterested may procure Suck, Pamehists of Organization and By-Luwe, and any instination relative to the objects and prospects of the Company. This enterprise commends itself to the considence of Capitalli to, the Company having its possession one of the mat rabubble muses in California, located on Wood's Creek, near the City of Sonora, Tuolumne County, and having many complete an engine and stamp work of the largest class, which will be shipped by a clipper ressel, at a carly day. It is the purpose of the Trustees to prosecute the work with vigor and a view to profit from the basesses of mixing. It is deemed unnecessary to enter into a meniation of probable prefits, it having been satisfactorily assertanced that companies already in operation with zeed mechancy have been eminently successful.

The mechanical provision of R. S. Kino, Esq., the bulker of the "Good Hill Quartz Mining Company's (nawn as Peak's) Mill," which has produced such asternising results, and will be twice the size of that establishment. The employees in all responsible positions will be shatsholders and sejected with special regard to ability and mental such will be deemed authicient to guard the interests of feasieholders.
